**BUILDING AND STANDARDS BOARD AGENDA ITEM # 5 FOR
WEDNESDAY, JULY 30, 2014**

**CITY DEVELOPEMENT DEPARTMENT
BUILDING SAFEY DIVISION**

MEMORANDUM

July 30, 2014

TO: The Honorable Chairman and Board Members

THROUGH: Victor Morrison-Vega, Deputy Director, City Development Department

FROM: Ron Roth, C.B.O., Deputy Building Official

SUBJECT: 321 Yale, El Paso, Texas 79907

The following is a brief chronology of the investigation of the referenced location:

- 1) First investigated on March 14, 2014. This single family dwelling was built in 1954, constructed of concrete masonry units and the roof is wood framed with a shingle covering, and a concrete slab foundation. The exterior walls finish consists in a combination of plaster and cement stucco. Attempts to maintain the structures secure have become unsuccessful. The structures are lacking maintenance and are not being kept up. There are un-operable vehicles, auto parts, scrap metal, trash and debris throughout the property.
- 1) Certified notices of the public hearing scheduled for July 30, 2014, were mailed to the owners and all interested parties on July 10, 2014.
- 2) As of June 6, 2014, \$25,602.90 is owed in taxes but the owner has a tax deferral.

The owners have been notified of the property violations at this property. To date there has been no response or corrective action taken, and therefore the Department recommends that it be found:

- 1) That the structures be condemned as substandard, and unfit for habitation or use and a hazard to the public health, safety, and welfare; and
- 2) That the structures are not in substantial compliance with the municipal ordinances regulating fire protection, structural integrity, and disposal of refuse; and
- 3) That the structure's certificate of occupancy be revoked; and
- 4) That the structures can be rehabilitated; and
- 5) That the structures be secured within thirty (30) days; and
- 6) That all un-operable vehicles be removed from the property; and
- 7) That the premises be cleaned and maintained clean of all trash, debris, auto parts, and scrap metal within 30 days; and
- 8) That upon failure by the owner or any other interested party to comply with the order of the Building and Standards Commission the City may take whatever action is necessary to bring the property into compliance, and place a lien on the property for the work which will be done by the City.
